Mineworx Grants Stock Options

Burnaby, B.C., Canada – September 19, 2018 – Mineworx Technologies Ltd., (the "Company" or "Mineworx") (TSXV: MWX) (OTCQB: MWXRF) (FSE: YRS WKN: A2DSW3), a leading provider of proprietary, cost-effective, and non-toxic precious metals extraction solutions to the E-Waste and mining industries, announced the Company has granted an aggregate of 3,450,000 stock options to directors, officers, employees and various consultants of the Company. The options are at an exercise price of \$0.175 per share and valid for a period of five years from the date of the grant, subject to vesting provisions. The options are granted in accordance with the Company's Stock Option Plan approved by the shareholders on August 27, 2014.

The grant of the options has been approved by the Board of Directors and is subject to the final approval of the TSX Venture Exchange.

About Mineworx

Mineworx is positioned for growth through partnerships with advanced mining and E-Waste opportunities utilizing its licensed cyanide-free precious metals extraction formula and patent pending portable extraction technologies. These innovations will increase and enhance business opportunities by deploying cost effective, environmentally friendly extractive metallurgy solutions.

Neither the TSX Venture Exchange nor its Regulation Services Provider (as that term is defined in the policies of the TSX Venture Exchange) accepts responsibility for the adequacy or accuracy of this release.
